

# Phoenix Family's LUCKY #7

**WHEN:** April 28, 2010, 5:00pm

**WHAT:** “*Lucky #7*” will be an event to revel in the “*epitome of cool*” as **Phoenix Family Housing** presents their **seventh** annual fundraising celebration of fun and philanthropy, Wednesday, April 28, 2010, 5:00 to 9:00 p.m. at the Hyatt Regency Kansas City. Chaired by **Rick Kahle, President-Kansas City Employee Benefits Division, Lockton Companies, LLC**, the night will pay tribute to the “glory days” of Las Vegas when the “Rat Pack” ruled and roulette and baccarat were the games of the day,

This fast paced and fun evening will include a silent and live auction, dinner and a short program to present the **2010 Clifton R. Cohn Distinguished Community Leader Award** to **Jeffrey J. Jernigan, President/CEO of Union Bank** and three Phoenix Family residents to honor their contributions to making our community a better place to live. These people are the true heroes of Phoenix Family. Proceeds will benefit the services and programs offered to residents of Phoenix Family Housing, located throughout the Kansas City metropolitan area.

The celebratory décor, food, and beverage will not only honor seven years of a great event but will also bring back the sounds and memories of the “*Rat Pack*” as they made entertainment history with their remarkable upbeat entertainment style and smooth musical and comedy routines.

Plan now to join us at “*Lucky #7*” and return to the heyday when **Frank Sinatra, Dean Martin, and Sammy Davis, Jr.** ruled from the **Sands Hotel's Copa Room** on the Vegas strip!

**ABOUT PHOENIX FAMILY HOUSING:**

For over a decade, Phoenix Family Housing has helped residents living in low-income housing become self-sufficient and make lasting changes in their lives. This year Phoenix Family Housing provides services to more than 5,600 people in 32 affordable housing communities - almost *half* of whom are children.

Phoenix Family Housing believes that providing people a place to stay is just the initial step in improving the lives of residents living in affordable housing communities. Phoenix Family Housing offers residents on-site access to more than 20 programs, such as emergency and long-term services, on-site food and pantry services and counseling, in addition to information and referrals for those seeking help with medical care, employment, housing and other critical needs. Through Phoenix Family, residents have the opportunities, tools and resources to help them stabilize their lives, avoid homelessness, develop economic self-sufficiency and become active participants in their communities. The programs support residents as they build on their strengths and experience the small successes that encourage them and lead to the achievement of their goals.
